

The Friends of Wyndham House Surgery

WE NEED YOU!

PLEASE REGISTER YOUR INTEREST AND BE A MEMBER OF THE FRIENDS OF WYNDHAM HOUSE SURGERY.

If you are a patient with the Wyndham House Surgery – or if you have a keen interest in furthering the welfare and health of the local community – then you can be a Member of the charity, the Friends of Wyndham House Surgery. The charity is run by a Management Committee of up to nine Trustees and are elected by the members at the AGM.

It costs nothing to be a Member but by registering you will be helping the Friends, will be supporting the work of The Friends' Management Committee and would be part of the group that elects the Committee each year.

In the past it hasn't been necessary for us to have a 'register' of members but Charity Committee Rules and Guidance make this really important for us. Therefore, if you care about our work, please complete an application form and become a Registered Member of the Friends.

You are still very welcome to come along to our AGMs even if you don't want to register as a member but after this year's AGM only registered members will be able to vote for the Management Committee or vote on other significant matters – such as our revised constitution.

If you came to the AGM last year, you may recall that we felt the time had come to review the constitution. This important document provides the main stay for the governance of the charity and the original constitution adopted in 1992 was a bit out of line with 2016 Charity Commission regulations and guidance. The draft document will be available on the Wyndham House Surgery website, or you can request an email copy by sending an email to friendsofwyndhamhousesurgery@gmail.com or if you do not have internet access please speak to any of the Committee Members.

Membership application forms can be copied from the Surgery website or are obtainable from Reception at Wyndham House Surgery.
