

Covid Vaccinations 2nd doses

For those patients who had the Pfizer vaccine, at College Surgery in Cullompton.

We are trying to arrange that the second dose will be delivered on the same day of the week at the same time as your first dose, but 12 weeks after. e.g. if your first dose was on Tuesday 5th Jan at 2pm; your second dose will be Tuesday 30th Mar at 2pm. It will still be delivered at College Surgery.

We will confirm appointments approximately 2 weeks before, by letter.

For those patients who had the Astra/Zeneca vaccine, at Wyndham House Surgery.

Appointments for a 2nd dose will be at the surgery sometime within the 12th week from your first dose. We will confirm the appointment by letter approximately 2 weeks before.
